luscious lawn & garden™ 3-1-5

OMRI™
Listed

DESCRIPTION:

Bradfield Organics® Luscious Lawn & Garden™ alfalfa-based organic fertilizer is a premium all-purpose product. It's safe to use around children and pets. Bradfield Organics® Luscious Lawn & Garden™ is a clean, convenient and easy way to fertilize lawns, trees, shrubs, vegetable, fruit, herb, flower and rose gardens. All alfalfa-based fertilizers contain the natural root stimulant known as triacontanol. Homeowners, landscapers, botanical gardens, sports fields, schools, theme parks and small farms have all successfully used Bradfield Organics® Luscious Lawn & Garden.™

RECOMMENDED APPLICATIONS:

As in nature, there is no bad time to build soil fertility. Apply Bradfield Organics® Luscious Lawn & Garden™ anytime you feel your soil needs improvement. Hot, cold, wet or dry makes no difference. It's almost impossible to over-apply, but generally it is recommended to apply Bradfield Organics® Luscious Lawn & Garden™ at 20 lbs per 1,000 sq ft (800 lbs per acre) in the early spring and follow with 10 lbs per 1,000 sq ft (400 lbs per acre) at 90-day intervals during the growing season. People and pets may use the lawn immediately after application.

PACKAGE AVAILABILITY:

Available in 40-lb bags, 50 bags per pallet (2,000 lbs). Also available in 20-lb bags.

ANALYSIS & INGREDIENTS:

Total Nitrogen (N)	3%
3% water-insoluble nitrogen	
Available phosphate (P ₂ O ₅)	1%
Soluble Potash (K ₂ O)	5%

Made from feed-grade ingredients. Nutrients for this product are derived from alfalfa, molasses, sulfate of potash, and poultry by-product meal.
