

- Helps produce better tasting tomatoes
- Longer lasting, more productive plants
- Feeds plants naturally

tasty tomato™ 3-3-3 **OMRI™** L i s t e d

DESCRIPTION:

Bradfield Organics® Tasty Tomato™ fertilizer is a premium blend of natural nutrients designed to produce the finest and most delicious tomatoes you have ever tasted. When used as directed you will reap a bountiful harvest beyond your imagination. The Tasty Tomato™ formula is designed to provide the nutrients your tomato plants need at the right time when the plants are in their peak production period. Reports have indicated that organically grown tomatoes are healthier, more flavorful and more disease-resistant.

RECOMMENDED APPLICATIONS:

- 1) Be sure frost date is past. Dig a hole 18 inches in diameter and 18 inches deep. Take the top six inches of soil and place in a wheelbarrow. Spread the rest of the dirt around or put it in your compost pile.
- 2) Mix four to eight large cups (approximately 1 to 2 lbs.) of Bradfield Organics® Tasty Tomato™ fertilizer in a wheelbarrow containing the topsoil and mix thoroughly.
- 3) Place the mixture from the wheelbarrow in the bottom of the hole. Fill the rest of the hole with a good mixture of compost and soil. Set tomato plant in hole and press firmly being careful not to bury plant too deeply. Apply one gallon of water.
- 4) If desired, mulch with straw or hay around the base of the plant and place tomato cage around plant for protection.

Container Plants

- 1) Mix one cup of Tasty Tomato™ fertilizer with approximately six inches of soil and place in bottom of container.
- 2) Fill remainder of container with a good mixture of compost and soil.
- 3) Place plant in container and water well.
- 4) Fertilize plant every 15 days by mixing one cup of Tasty Tomato™ fertilizer into top two to three inches of container and water thoroughly.

PACKAGE AVAILABILITY:

Available in 25-lb bags

ANALYSIS & INGREDIENTS:

Total Nitrogen (N)	3%
3% water-insoluble nitrogen	
Available Phosphate (P ₂ O ₅)	3%
Soluble Potash (K ₂ O)	3%

Made from feed-grade ingredients. Nutrients for this product are derived from alfalfa, meat meal, molasses, and potash.

Many books on the virtues, principles and practices of organics can be found in the book store at www.acresusa.com.

PRODUCT FORM:

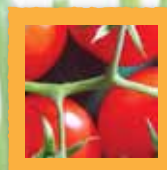

Product is a coarse powder.
